Assembly Bill 2

In general, Assembly Bill 2 requires that local referenda be held on the following specific days: the spring primary, the spring election, the September primary, the general election or the first Tuesday after the first Monday of November of an odd-year numbered year. Consequently, an even-numbered year will contain four permissible dates for local referenda, while an odd-numbered year will contain three permissible dates. Further, the bill provides that, in general, no referendum submitted by the same local governmental unit relating to substantially similar subject matter or relating to authorization for the borrowing of money may be held more than once in any 12-month period.
